

MPN Voice – Grants and Funding

MPN Voice provides a wide range of unbiased and medically backed information and support to the MPN community. It invests in research and clinical trials, and is proactive in advocacy on behalf of MPN patients worldwide.

MPN Voice provides financial support to the medical community for initiatives and projects that make a positive impact on MPN patients and healthcare professionals, we are committed to focus our support in areas that can have the greatest impact on improving the lives of MPN patients.

Requests for Financial Grants

MPN Voice can provide reasonable financial support for initiatives and projects like:

- Research studies/activities
- Educational projects for HCPs or department admin staff
- Surveys and audits to facilitate department initiatives to improve patient support
- Provision of patient information packs
- Setting-up/running a patient forum in partnership

Applying for Funding and Application Process

MPN Voice is unable to meet all of the requests for funding it receives, requests will be prioritized in alignment with our mission and focus of supporting and informing the MPN community. Requests which benefit individuals, including requests for ongoing personal education and requests for travel grants will not be supported.

Requests should be submitted a minimum of three months prior to the start of the initiative/project, each request will be assessed by the Executive Committee and/or the Clinical Advisory Committee and will be evaluated on its merits and the value and benefit to the MPN community. All requests should be submitted by email to: info@mpnvoice.org.uk.

Requests should include:

- Amount being requested
- Details of any shared funding for the initiative/project either already secured or being requested
- Breakdown of all costs
- Background of the initiative/project
- Aims and objectives
- Methods used to carry out the initiative/project
- Study sample
- Details of where study data will be published/used
- Letter of institutional support

Acknowledgement

If funding is awarded we request that MPN Voice is acknowledged on any documentation and in any publications.

Disclosure of Funding

All grants and funding will be disclosed in our financial accounts and details of the initiative/project may be listed on the MPN Voice website for transparency.

We may also request that trial/study data is shared with the MPN community via our website; email communication; and social media.

The information you submit in your request will be used by MPN Voice only for the purposes of processing the grant application, and any associated disclosure. Any and all uses will comply with our [privacy policy](#).
