The advertisement features a central image of a smartphone displaying the app's interface. The screen shows a user profile for "Alex Baiden" with a "600 points" badge and a "Platinum Health Card". Below this is an "Overview" section with six health metrics: Psychological Wellbeing (Avg Score | 7), Heart Rate (Avg Heart Rate | 72), Activity Levels (Avg Active | 01:54), Sleep (Avg Score | 77), Health State (Avg Active | 01:54), and Pain (Avg Score | 77). At the bottom, there is a "Health Timeline" section with a button to "Open" "Your GP & Hospital Data all in one place". To the right of the phone are four dark red callout boxes with white icons and text, each describing a key feature of the app. A QR code is located in the bottom right corner of the advertisement.
